OUR MISSION

The International Aviation Services Centre, IASC, is the business unit within Shannon Group plc tasked with building on the well-established aerospace & aviation cluster at Shannon. IASC helps existing firms located in the region to develop their business,

The focus of the IASC Cluster is global, serving all elements of the aircraft lifecycle, from R&D through to manufacturing, financing, operations and onwards to end of life.

**LOCATE IN IRELAND,
GROW IN EUROPE.**

SHANNON IASC

ABOUT US

Shannon Group's International Aviation Services Centre (IASC) helps these companies to develop their businesses. It also supports new entrants keen to join this growing nucleus of aerospace excellence, ensuring that Shannon remains a global centre for the aviation industry.

MAKING CONNECTIONS

Today it's more vibrant as ever, and home to the largest aerospace and aviation cluster in Ireland, with over 70 firms employing over 2,800 and growing steadily. The Shannon aviation cluster spans the industry value chain, encompassing everything from aircraft leasing, maintenance and recycling to component manufacture, parts repair and business aviation.

LOCATE & GROW

Companies locating here have access to a good mix of young, well-educated talent, a highly competitive tax environment, and a legislative and regulatory framework specifically geared to the needs of the aviation and aerospace sectors.

SHANNON FREE ZONE

Established in 1959, the Shannon Free Zone was the world's first free Trade Zone.

Shannon IASC is re-inventing the Free Zone in a 21st-century context, offering specific taxation advantages to the global aerospace & aviation industry.

TESTIMONIALS

“We are delighted to have led our global expansion from our Shannon base. Into the future, we are firmly committed to Shannon because of the talent and skills of the people, the mix of top-class businesses and support structures, and the great lifestyle the region affords.”

- Eirtech Aviation

“Shannon and Aircraft leasing are synonymous, and we anticipate the growth of the cluster in Shannon will present unique opportunities to develop new services to support and strengthen the Irish Aviation Leasing sector.”

- Aldus Aviation

ROAD CONNECTIVITY

Located at the juncture of a major national road network connecting it to Dublin, Cork and Galway, Shannon is perfectly positioned for easy, fast access by road to other business hubs within Ireland, enabling convenient transport of people and goods to other parts of the country.

SHANNON AIRPORT

Located on Ireland's west coast, Shannon is a key strategic location on the trans-Atlantic route between Europe and The Americas, located close to one of the key Great Circle Routes for trans-Atlantic transit. With a 3.2km runway capable of handling all aircraft types up to & including Category 9 (A380, Boeing 747, Antonov 225), Shannon Airport operates 24 hours a day and 365 days a year, with no curfews, slots or noise restrictions.

DEEP WATER PORT

Shannon is located just a few kilometres from the deep water port at Foynes. Six port terminals cater for a diverse range of bulk cargo types, offering excellent access to the Irish market, as well as a trans-shipment point for value-added activities serving European and global markets – ideal for the movement of large aircraft parts.

“

**CREATING A
BUSINESS
ECOSYSTEM
FOR THE
AVIATION &
AEROSPACE
INDUSTRY**

Financial Supports – Ireland's corporate tax rate is 12.5% with new legislative measures to attract FDI. All Financial Grant Aid is negotiated on a case to case basis in compliance with EU & Irish Legislation.

Talent – Our predominantly young work force is capable, adaptable, mobile and committed to achievement. 50% of the population is under 35 years of age.

are you wondering

WHY INVEST IN SHANNON, IRELAND?

visit iasc.aero
for more information

Technology – Significant State Investment in R&D helps ensure Ireland stays at the forefront of technological innovation.
